ICOPUST 2015

The 3rd International Conference at PUST on
Appropriate Technology and Sustainable Development

October 21–22, 2015

PUST, Pyongyang, DPR Korea

Call for Papers:

This conference will bring together leading scientists, researchers, and scholars to present topics including, but not limited to: Agriculture and Life Sciences, International Finance and Management, Electrical or Electronic Engineering, Computer Science, Medical Sciences, and General Engineering.

Important Dates:

May 15th – deadline for conference acceptance

June 15th – abstracts due

July 30th – camera ready manuscripts due

Conference Costs: Speakers must cover their own travel expenses to and from Pyongyang. Package deals will be provided that will include travel to/from Pyongyang from/to Beijing, lodging at hotel, and various optional tours ranging from \$1200 to \$2500 depending on what tours are selected (e.g. Kaseong Panmunjeom DMZ tour, Mount Kumkang tour, Mount Myohyang tour, Pyongyang City tour).

If interested: Please send email to conf@pust.co. Please attach Curriculum Vitae, and subject of proposed paper.
